Applicant's response and Terminal Disclaimer filed on 09-27-04 has been fully considered. The Terminal Disclaimer has obviated the previous ODP rejection, and thus, said rejection is withdrawn herein. With no other outstanding rejection, pending claims 44-52 are allowed.

Reason for Allowance

The following is an examiner's statement of reasons for allowance:

The claimed method for the treatment of inflammatory diseases using a benzoquinone derivative of formula (I) has been allowed in the U.S. Patent 6,703,421 to which a terminal disclaimer is applicable. An update search yields a reference of **Nunokawa et al** (US 2004/0030129 A1), which is a continuation of this application, but does not claim similar or analogous method of treatment.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
